Agreement Overview

This document constitutes the entire agreement ("Agreement") between Sentri Homes ("Provider") and the above-named person ("Client") for the provision of Flooring construction services. This Agreement supersedes all prior discussions, negotiations, understandings, and representations, whether written or oral, and may only be amended in writing, signed by both parties.

Scope of Services

The Provider offers flooring installation and related construction services tailored to the Client's needs. Services include preparation, installation, finishing, and any associated work for flooring projects, as agreed upon during project intake or through subsequent written communication. All work is performed in a professional manner consistent with industry standards.

Special Requests and Atypical Service

Any specialized or limited-scope flooring work outside standard installation must be expressly communicated in writing by the Client prior to commencement. The Provider will not be responsible for uncommunicated requests. Additional services require a formal change order and may incur extra fees/timeline adjustments.

Change Orders

Any modification altering the agreed-upon scope requires a signed Change Order Form outlining added work, pricing, and timelines. No changes proceed without signature and any required deposit. Changes are billed on a lump sum or hourly basis as determined by the Provider.

Client Responsibility for Information Accuracy

The Client is responsible for providing accurate site conditions, measurements, material selections, and other inputs. The Provider relies on this information and is not liable for issues arising from incomplete or inaccurate details provided by the Client.

Professional Services Provision

Services are construction-focused and do not include licensed engineering/architectural work unless separately arranged.

Construction Responsibility and Liability

Sentri Homes LLC
GC@Sentri Homes.com
681-202-9778

The Provider performs the specified flooring services only. The Provider is not liable for defects, delays, or damages from construction means/methods by others, or post-completion issues unrelated to the Provider's work. Liability is limited to the total amount paid for these services. No consequential/indirect damages.

Pricing and Payment

Pricing is based on project scope, materials, and labor (per sq ft or fixed as quoted). A deposit equal to fifty percent (50%) of the total project cost is required prior to scheduling or commencing work. By providing a credit or debit card for the deposit payment, Client authorizes Company to retain the card on file for payment processing related to this project.

Upon completion of the work and successful completion of Company quality control procedures, Client authorizes Company to charge the remaining project balance to the same card on file unless an alternate payment method is provided prior to final invoicing.

If the final project amount differs from the original estimate due to approved changes, additional services, materials, or adjustments, Client authorizes Company to charge the final invoiced amount reflecting such changes.

Timeline and Delivery

Timeline estimated during intake; subject to material availability, weather, Client approvals, and unforeseen delays.

Dispute Resolution

Good faith mediation in; if unresolved, binding arbitration per AAA rules. Governed by State law.

Intellectual Property and Licensing

Any proprietary methods or materials remain Provider property. Client granted limited license for project use upon full payment.
